REPORT OF BUDGET COMMITTEE FOR 1971

The Gorham Budget Committee held an organizational meeting on Friday, Jan. 8, 1971 at the Town Hall dining room, when David W. Murphy was elected chairman and David Welsh was elected clerk. It was voted to hold the first regular meeting on Monday, January 18th and to hold meetings on each of the following four Mondays, notices to this effect to be published in the Berlin Reporter and posted in at least two public places.

The Library Trustees, District Nursing Association and the Fire Department presented their budgets on January 18th. The School Board presented their budget at the January 25th meeting, with the Recreation Department, Selectmen and the Water Commissioners presenting their budgets at the February 1st meeting. The Recreation Department budget included a request for a Capital Outlay of \$1,250.00 for the purchase of a good pool table and a contingency fund of \$3,000.00 making their total budget \$26,100.00. The Water Department had four special requests in addition to their regular operating budget, as follows:

Second St., Cascade, Water line extension	\$ 8,000.00
New Hough Payloader, after trade-in of 1962 Hough	20,000.00
New Wells, land and development	150,000.00
Cascade Water Line, relocation and improvement	570,000.00

The last two items were made necessary by the need for an additional water supply and the necessity of moving the Cascade Water line in connection with reconstruction of the Berlin-Gorham road by the State Highway Department and also the need for a larger line for the Cascade area.

The Selectmen also presented four special items in addition to their regular operating budgets, as follows:

Dredging	\$ 2,000.00
New Highway Truck and Plow	17,000.00
Pickup Truck for Highway Foreman	3,000.00
Purchase of Used Payloader	8,500.00

The Budget Committee started consideration of the budgets as presented on Feb. 8th, and appointed a committee of Rodney Webb, Chairman, Reuell Leavitt and George Blunden to look into the matter of bonding for the two large water projects. This Committee reported what they had learned as to procedures involved in the bonding operation, and final decisions were made on all the budgets presented at the Feb. 15 meeting. The budgets were approved as presented with the following changes: addition of \$14,300.00 to the Highway budget to start a hottopping program for town streets, addition of \$950.00 to the Garbage Collection budget to take care of an unexpected repair bill on the department's truck, decrease the appropriation for purchase of a used Hough payloader for the Highway Department to \$6,500.00 to be used for the purchase and repair

of the present Water payloader, and the correction of the Interest appropriation to include \$14,000.00 for interest on Water bonds and temporary borrowing in anticipation of bonding, and \$3,000.00 for bonding expenses.

It was voted to finance the Deep Wells and Cascade Water Line by bonding, to purchase the New Hough payloader and the Highway Truck and Plow on long term notes, and to use \$35,000.00 from cash on hand. Items to be taken from Cash on Hand were selected, after consultation with the Selectmen, as follows:

Second Street Water Line	\$ 8,000.00
Foreman's truck	3,000.00
Used Hough	6,500.00
Public Welfare items	16,700.00
Patriotic Purpose items	800.00

Total	\$ 35,000.00
-------	--------------

A motion was made and passed that in the future all budgets presented to the Budget Committee must show the amount approved the previous year, the amount actually used the previous year, and the amount requested for the coming year.

Budget forms for the School District and the Town were completed and signed in accordance with the amounts approved by the Budget Committee and the committee adjourned.

ORDINANCE TOWN OF GORHAM, N. H.

**In the Year of Our Lord, one thousand nine hundred and seventy-one
AN ORDINANCE relative to Mobilehome Parks and Trailer Parks:
Be it ordained by the Town of Gorham, N.H. as follows:**

SECTION 1—DEFINITIONS

For the purpose of this Ordinance, the following words and phrases shall have the meaning ascribed to them in this section.

1. Building Inspector. Building Inspector shall mean the Health Officer or duly authorized person by the Board of Selectmen.

2. Mobilehome. Mobilehome shall mean any vehicle or structure used or so constructed as to permit its being towed on a public street or highway and/or used as a conveyance on the public streets and highways; whether licensed as such or not, and constructed in such a manner as will permit occupancy thereof as a dwelling or sleeping place for one or more persons, and provided with a toilet and a bathtub or shower. Prefabricated buildings and mobile homes placed on permanent foundations shall be excluded from this definition.

3. Mobilehome Park. Mobilehome Park shall mean a plot of ground of not less than two acres on which two or more mobilehomes occupied for a dwelling or sleeping purposes are located.

4. Mobilehome Space. Mobilehome space shall mean a plot of ground within a mobilehome park designated for the accommodation of one mobilehome, which shall not be less than 5,000 square feet in area.

5. Permit. Permit shall mean a written permit issued by the Building Inspector permitting the mobilehome park to operate under this Ordinance.

6. Trailer. Trailer shall mean any vehicle used or so constructed as to permit its being used as a conveyance on the public streets and highways and duly licensed as such, and constructed in such a manner as will permit occupancy thereof as a dwelling or sleeping place for one or more persons, and not provided with a toilet and a bathtub or shower and cannot readily be connected to a community sewer and water service. A trailer under this Ordinance shall also mean Tent Trailers, Truck Campers or other sleeping facilities other than a mobilehome and/or what normally constitutes a permanent dwelling unit.

7. Trailer Park. Trailer Park shall mean a plot of ground of not less than two acres of which two or more trailers occupied for sleeping purposes are located.

SECTION 2—MOBILEHOMES AND TRAILERS REGULATED

Upon adoption of this Ordinance:

1. No Mobilehome shall be located in the Town of Gorham except in a mobilehome park.

2. No occupied trailer shall be permitted in the Town of Gorham except in a trailer park.

3. Section 2:1 is not intended to interfere with sale or display of mobilehomes or trailers in areas where such is permitted.

4. Non-Conforming Uses. Any lawful trailer, mobilehome, trailer park or mobilehome park existing at the time this Ordinance or any amendment thereto is adopted, may be continued although such use does not conform to the provisions of this Ordinance. However, all trailer and mobilehome parks must comply with the Sanitary Laws and Regulations of the New Hampshire State Department of Health. No non-conforming use that has been discontinued for a period of three consecutive months shall be reestablished except in conformity with this Ordinance.

SECTION 3—PERMITS

1. Permit Required. It shall be unlawful for any person to construct, maintain, operate, or alter or expand any mobilehome park or trailer park within the limits of the Town of Gorham unless he or she or any firm holds a valid permit issued annually by the Board of Selectmen in the name of such person or persons or firm for the specific mobilehome or trailer park. The annual cost of this permit shall be \$5.00, per mobilehome space. All initial applications for permits shall be made to the Board. Upon approval of the Board, issuance of the permit shall be by the Board and shall be contingent upon (1) compliance with all Sanitary Laws and Regulations of the State of New Hampshire and approved by a majority vote of the Board and (2) compliance with this Ordinance.

2. Issuance of Permits. The Board shall annually renew such permit contingent upon compliance with all regulations in this Ordinance.

3. Permit—Method of Application and Requirements. Applications for permits shall be in writing, signed by the applicant who shall file with the application proof of ownership of the premises or of a lease or written permission from the owner thereof together with a complete set of plans drawn to scale, showing the location of the proposed court, and which shall include:

- (1) The area and dimensions of the tract of land.
- (2) The maximum number, location and size of all mobilehome spaces.
- (3) The location of any existing buildings and any proposed structures.
- (4) The location and width of roadways and walkways.
- (5) The location of water and sewer lines and the sewage disposal systems.
- (6) Circulatory traffic flow or a turn around with 110' diameter.

SECTION 4—INSPECTION TRAILER PARKS AND MOBILEHOMES

1. Inspection of Mobilehome Parks. The Board of Selectmen is hereby authorized and directed to make inspections to determine the condition of mobilehome and trailer parks located within the municipality of Gorham to safeguard the health and safety of occupants of mobilehome parks and of the general public. The Board or its duly authorized representative shall have the power to enter at reasonable times upon any private or public property for the purpose of inspecting and investigating conditions relating to the enforcement of this Ordinance.

SECTION 5—LOCATION, SPACE AND GENERAL LAYOUT

1. Location. New Mobilehome Parks and Trailer Parks may be established only subject to the approval of the Board. No Mobilehome Park or Trailer Park may be located closer than 100 feet to any public right-of-way.

2. Area Requirements: The area of the Mobilehome Park and Trailer Park shall be large enough to accommodate:

- (1) The designated number of spaces.
- (2) Necessary streets or roadways.
- (3) Sewage disposal system.
- (4) A buffer strip to adjacent residential uses at least 200' deep and to other uses at least 50' deep, appropriately landscaped.

3. Space Requirements. Each mobilehome space shall be at least 50 feet wide and 100 feet deep and each trailer space 30 feet wide and 60 feet deep, and shall abut on a driveway or other clear area with unobstructed access to a public street. Such spaces shall be clearly defined and mobilehomes shall be so located that a minimum of ten feet clearance exists between any part of the mobilehome and the lot lines of the mobilehome space.

4. Mobilehome or Trailer Space Availability Required. It shall be illegal to allow any mobilehome or trailer to remain in a mobilehome or trailer park unless a mobilehome or trailer space is available.

SECTION 6—ROADWAYS

1. For fire prevention and protection every mobilehome and trailer park shall have access to a public street by means of a private roadway not less than twenty-four feet wide. In a mobilehome park a minimum width of eighteen feet shall be finished with hard surfaced pavement. In all mobilehome and/or trailer parks, roadways shall be well drained, adequately graveled, hard surfaced or paved and maintained in good condition. All roadways shall be lighted at night and shall have a light intensity at the center of the roadway of no less than two foot candles. All mobilehomes and trailer spaces shall abut upon a roadway twenty-four feet or more in width if off-street parking areas are provided. If on-street park-

ing is permitted said roadways shall be a minimum of thirty feet in width and roadway shall be unobstructed at all times to allow passage of emergency vehicles.

SECTION 7—SANITATION

1. Water Supply Requirements. An accessible, adequate, safe and potable supply of water shall be provided in each mobilehome or trailer park. A minimum of 125 gallons per day shall be available for each mobilehome space. The development of an independent water supply to serve the mobilehome or trailer park shall be made only after express approval has been granted by the Board of Selectmen.

2. Plumbing. All plumbing in the mobilehome or trailer park shall comply with State and Town plumbing laws and regulations and shall be maintained in good operating condition.

3. Sewage Disposal. Mobilehome or trailer parks shall be served by a public sewage system or by a private disposal system which meets the sewer requirements of the State and Town. Each mobilehome space shall be provided with a satisfactory sewer connection. All sewage-disposal apparatus including appurtenances thereto, shall be provided, maintained, and operated so as not to create a nuisance or health hazard.

4. Refuse and Garbage Disposal. The storage, collection and disposal of refuse in a mobilehome or trailer park shall not create health hazards, rodent harborage, insect breeding areas, accident hazards, or air pollution. All refuse and garbage shall be stored in flytight, watertight, rodent-proof containers, which shall be provided in sufficient number and capacity to prevent any refuse from overflowing. Satisfactory container racks or holders shall be provided by the mobilehome park or trailer park owner or operator and shall be located not more than 150 feet from any mobilehome space. Central collection of garbage will be required in a trailer park unless roadways are finished with hard surfaced pavement.

5. Reporting of Communicable Diseases. Every mobilehome or trailer park operator shall maintain a register containing a record of all occupants using the park. Such register shall be available to any authorized person inspecting the park, and shall be preserved for a period of at least one year. Such register shall contain the names and addresses of all mobilehome or trailer occupants stopping in the park. Every owner, operator, attendant, or other person operating a mobilehome or trailer park shall notify the local Health Officer immediately of any suspected communicable or contagious disease within the mobilehome park. In the case of diseases diagnosed by a physician as quarantinable, such owner, operator, attendant or other person operating a mobilehome or trailer park shall notify the Health Officer of the departure or the proposed departure of a mobilehome or its occupants, or the removal therefrom of clothing or other articles which have been exposed to infection.

SECTION 8—ELECTRICITY

1. Electric Installation and Outlet Requirement. An electrical outlet supplying at least 60 amps, 110 volts shall be provided for each mobilehome space and each trailer space shall be serviced with 110 volts. The installation shall comply with all State and Electrical Codes. Such electrical outlets shall be weather-proof. No power line shall be permitted to lie on the ground or to be suspended less than 12 feet above the ground.

SECTION 9—ALTERATIONS AND ADDITIONS

1. Alterations and additions must comply with the State and Town Health Regulations.

SECTION 10—SERVICE BUILDINGS NECESSARY TO ACCOMMODATE TRAILERS

Service Building Requirements. Each mobilehome park or trailer park which accommodates trailers shall provide one or more service buildings in accordance with the following specifications:

1. Flush-type Toilets—Minimum Distance from Mobilehome. Flush-type toilets shall be placed in buildings which are not more than a maximum distance of 250 feet from any mobilehome or trailer nor less than 15 feet from any trailer or mobilehome or any other structure. No service building shall be located within 75 feet of any public street or highway.

2. Light Requirements. The building shall be lighted with a light intensity of two foot candles (lumens) measured at the darkest corner of the room.

3. Construction Requirements. The building shall be a permanent structure of impervious material, adequately ventilated, and with all openings to the outside effectively screened, and be supplied with a floor drain and comply with State and Town Health Regulations.

4. Toilet Requirements. Separate toilets shall be provided in the ratio of one toilet for four families and one toilet for every six males. In addition, every male toilet room shall have one urinal for each sixteen males, but in no case shall any male toilet room be without one urinal.

5. Lavatory Requirements. Toilet rooms shall contain one lavatory with hot and cold running water for each two toilets, but in no case shall any toilet room be without one lavatory with hot and cold running water.

6. Heat Requirements. Each service building shall have heating facilities to maintain a minimum temperature of 70°F. when the outside temperature is -15°F.

7. Shower Requirements. Each service building shall have shower facilities in the ratio of one shower with hot and cold running water for each eight persons, but in no case shall any service building be without one shower.

SECTION 11—PENALTIES

1. Penalty. Any person who violates any provision of this Ordinance may upon conviction be punished by a fine of not less than ten dollars (\$10.00) nor more than fifty dollars (\$50.00); and each day's failure of compliance with any such provision shall constitute a separate violation.

SECTION 12—CONFLICT OF ORDINANCES AND VALIDITY

1. Conflict of Ordinances and Validity. In any case where a provision of this Ordinance is found to be in conflict with a provision of any ordinance existing on the effective date of this Ordinance, the provision which establishes the higher standard for the promotion and protection of the health and safety of the people shall prevail.

2. Saving Clause. If any section, subsection, paragraph, sentence clause, or phrase of this Ordinance shall be declared invalid for any reason whatsoever, such decision shall not affect the remaining portions of this Ordinance, which shall remain in full force and effect, and to this end the provisions of this Ordinance are hereby declared to be severable.

3. This Ordinance shall be effective upon passage.

Report of Tourist Information Booth

To the Town of Gorham, N. H.

We hereby submit our report of the Gorham Information Booth for the 1970 operating season. This year the booth was opened for the season on May 30, 1970 and kept open full time through October 12th, instead of operating only on the weekends during the fall as had been done previously. The longer hours of operation accounts for some of the additional business done in 1970, and it is felt that it was very worthwhile operating daily during the fall when many tourists are still visiting this region, particularly during the foliage season. The hours of operation were 8:30 A.M. to 8:30 P.M.

There was a large increase in business with 3,815 more cars calling at the booth in 1970 than in 1969. The number of people involved was 8,780 more than in 1969.

Cars	United States	Canada	Foreign	Total
1970	14,236	3,414	241	17,891
1969	11,087	2,817	172	14,076
1970 Increase	3,149	597	69	3,815

DIVISION OF ECONOMIC DEVELOPMENT

December 7, 1970

Mrs. Helen J. Hinkley

Office of Selectmen
Park Street
Gorham, New Hampshire 03581

Dear Mrs. Hinkley:

We wish to belatedly express our thanks and congratulations to you and the attendants of the Gorham information booth—Marion Donahue, Norma Twitchell, and Eleanor Robertson—for the most complete season report we have seen.

The report for the Gorham Information Booth is so detailed and informative that "Deak" Morse, our publicity director, issued a news release about it to newspapers throughout the Northeast.

A report like yours makes it so much easier for us to compile and analyze data to discern trends in the vacation travel industry.

Will you kindly convey our appreciation for this splendid work to the other three ladies and show them a copy of the news release.

Our best wishes for Christmas and the holidays.

Cordially yours,

G. HENRY CRAWFORD
Advertising Director

	7,495.50
--	----------

Telephone expense refunds	44.68
---------------------------	-------

Total	\$ 7,540.18
-------	-------------

Of the above expenditures the Gorham School District reimbursed the Association 80% of the amount or \$6,880.00.

Up to October 7, the work of the nurse was carried on by Dorothy Johnson, R.N., who resigned after serving us faithfully. At that time the Association and the Gorham School Board decided to separate the services rendered whereby the School Board would have a nurse strictly under their supervision and the Association would hire a part-time nurse to do the Public Health Nursing of the Town. Thereupon the Association hired Denise Demers, R.N., who is presently working for us. The new plan seems to be working very well.

The Directors wish to express their thanks to the Selectmen, the School Board, the Superintendent of Schools, the school principals, the District Nurses and the residents of the Town of Gorham for their cooperation throughout the year.

Respectfully submitted,

Report of Recreation Commission

To the inhabitants of the Town of Gorham:

The Recreation Commission, a six man board appointed by the Selectmen, is in its twenty-first year of operation. The Gorham Recreation Department is now in its fourteenth year-round recreation program. The 1970 attendance records (other than Libby Memorial Swimming Pool) show an average comparable to 1969 in the varied and attractive activities in the Dept. program—some programs have increased while others have decreased but a balance has been maintained and new activities have been added. The great majority of the participants in the program have shown their appreciation for opportunities they have had in this respect through continued participation, and through letters and remarks directed to the Recreation Dept. during the year.

Again this year, we have endeavored to fulfill any requests made of us within the limitations of our abilities and budget appropriations. Through the cooperation and continued interest of the various individuals, organizations and departments who have helped, by working together for the common good and the improvement of our leisure time opportunities, it has been possible to submit this report of our progress during the past year. We solicit your continued help and cooperation through the years to come. Our most sincere thanks to one and all.

Respectfully submitted,

SUMMER PROGRAM 1970

Personnel: Gorham Common Playground—Karen Ramsey, Director; Carol Tuininga, Assistant Director. Upper Village Playground—Peggy (O'Neil) Blais, Director; Gail Jodrie, Assistant Director. Cascade Playground—Claire Gallant, Director; Cheryl Lemieux, Assistant Director.

The Summer program involved activities at three playgrounds and at Libby Memorial Swimming Pool. The playgrounds were open mornings from 9:00 to 12:00 (Monday through Friday) for an eight-week period. Two mornings a week the Cascade children were transported by bus to the Libby Memorial Swimming Pool for swimming lessons and every afternoon (Monday through Friday) for general swimming sessions.

The Playground Staff attended the N.H. Recreation Society Workshop (held at Lancaster, N.H.) and also attended the workshop held at the Recreation Center. A different program of events (including Nature Hikes) was outlined for the Playground Staff each week and is listed as follows:

Week of—

- June 22—Get Acquainted Week.
- June 29—Safety Week.
- July 6—Be Kind to Animals Week.
- July 13—Circus Week.
- July 20—Citizenship Week.
- July 27—Talent Week.
- Aug. 3—Arts and Crafts Week.
- Aug. 10—Round-up Week.

Special events were held on the individual playgrounds during the summer plus nature hikes every week. For the Playground Excursion, the children were taken to the scenic Wildcat Gondolas to end the summer season.

LIBBY MEMORIAL SWIMMING POOL

Personnel: Head Lifeguard, Raymond Boivin; Lifeguards, Randall Rayner, Roger Blais, Bernard Dunton, Dennis Dupuis; Ticket Booth (and maintenance), Carole Webb.

The Libby Memorial Swimming Pool was open for a period of eleven weeks and two days from 10:00 a.m. to 8:00 p.m. daily for general swimming. Swimming lessons were from 9:00 a.m. to 12 noon Monday through Thursday and from 10:00 a.m. to 12 noon Fri-

day and Saturday, An adult class was held throughout the week (covering all phases of swimming) starting at 2:00 p.m. for any who were interested in skill improvement. Five Lifeguards and a Ticket Booth Operator (plus maintenance) were employed—all of the lifeguards were certified Water Safety Instructors qualifying them to teach all phases of swimming besides the regular Tower Duty during periods of general swimming.

Red Cross swimming lessons were offered to the following classes: Beginner, Advanced Beginner, Intermediate, Swimmer, Advanced Swimmer, Junior and Senior Lifesaving and Basic Survival Swimming and Floating. Water Safety Instructor Review Training was given to three persons employed in other area. Staff members (certified Water Safety Instructors) did not have to complete the course at the National Aquatic School (Camp Tevya) and neither did others employed at Pool areas in the North Country, as a Water Safety Instructor Course was conducted by the Director (certified Water Safety Instructor Trainer) at the Berlin Community Club Pool during the Spring vacation.

Course	Passed
Beginner	32
Advanced Beginner	15
Intermediates	26
Swimmers	0
Advanced Swimmers	0
Junior Lifesaving	0
Senior Lifesaving	0
*Adult Class	6

*Three beginners were taught the fundamental phases of swimming—the other three were given corrective instructions on stroke, kick and the correct breathing technique. All were instructed in the new style strokes and kicks.

The swimming pool was open 70 days, 20 of which were cold and inclement. This (plus vacations) was the reason many children did not continue their lessons and were not tested at the end of the season.

Cascade children were transported to the swimming pool Tuesday and Thursday morning for swimming lessons and afternoons Monday through Friday for general swimming. The 14th Annual Swim Meet was held August 18th with a large group of swimmers (all classes) in attendance.

Respectfully submitted,

LYNN C. HORTON, Treasurer

We have examined the cash receipts and disbursements of the White Mountains Region Association for the period September 3, 1969 to August 31, 1970. Our examination was made in accordance with generally accepted auditing standards and included such tests of the records that we considered necessary in the circumstances. In our opinion the accompanying report properly accounts for their funds.
